

At the wall

OBA

One player throws a ball against the wall
whoever catches it handles it in a unique way
After a trick he throws it against the wall, next person
same thing.....

Variety of handling the ball:

- batting the ball
- using 1 or both forearms
- jumping & throwing it back
- turning around before catching...
- anything can work

Field

Tlatchtli

a basket at each end of the field
Action begins with center jump ball
without using hands players move the ball
down the field
Basket can be made by a kick, tap, or bounce.
After a score, other team passes it in from
out of bounds
