

On the field

Buka Ball

where volleyball meets hacky sack

The goal is to keep the buka ball from hitting the ground using any part but the hands

Server kicks the ball to receiving team

Score happens if ball hits the ground

Other team will then serve.

Mr. Daruma Fell Down

Red Light, Green Light with a twist

Tagger turns his back and says

"Mr. Daruma Fell Down"

Tagger counts to 10 as children run away

Tagger will say Mr. Daruma Fell Down again

Everyone freezes, the taggers freeze

Tagger tries to tag as many as he can.

If tagged they go to the zone and wait for someone to get close enough to tag them out.
